DIVISION MEMORANDUM
No. 77 , s. 2020

To: Assistant Schools Division Superintendent
Chief Education Supervisors
Education Program Supervisors
Section Heads
Public Elementary and Secondary School Heads
All Others Concerned

CONDUCT OF SCHOOL BASED IMMUNIZATION: 2nd DOSE HPV IMMUNIZATION SY 2019-2020

1. Human Papilloma Virus is the culprit behind Cervical Cancer among women and girls and the 8th leading cause of mortality among women nowadays. Early exposure to this virus thru sexual promiscuity and unprotected intercourse due to high risk behavior and lack of education will lead to a chain of devastating effects on the life of every Filipino woman.

2. Prevention rather than cure is the principle behind this activity, thru the School Based Immunization Program of the Department of Education and information dissemination on human sexuality thru Curriculum Integration and advocacy campaign in the Adolescent Reproductive Health Program under Oplan Kalusugan, OK sa DepEd Program.

3. In connection with this, the Department of Health as our partner agency thru the City Health Office headed by Dr. Abigail P. Baret, MD, City Health Officer II will be conducting the 2nd Dose Human Papilloma Virus Immunization among Grade IV Female learners in all Public Elementary Schools. Parental consent form must be duly signed and consolidated by the teacher in charge prior to the activity. Parents and learners must be properly informed prior to the procedure and health personnel are tasked to monitor any adverse reaction towards the HPV Vaccine.

3. Attached herewith is the Schedule of Immunization in all Public Elementary Schools in the Division starting March 3 until March 19, 2020.

4. Immediate and wide dissemination of this memorandum is earnestly directed.
