Open University – openuniversity.ph – promotes proactive e-learning to students who are stay-at-home by providing them free access to scholastic resources such as references and journals for self-study.

Open University is evolving from a free academic portal to Philippines' first full-fledged search engine starting with its growing database of institutional sources.

What started as a humble school project has transformed into the country's first free educational resources portal. Academic sources found on the website by exploring its features:

Open Library

DepEd & CHED curriculum guides – free downloads

University library portals – unlimited access

Open Education

Online scholastic resources – free references

Open Campus

Online campus portals – choose your university

Open Study

Online research resources – free academic journals

Open Forum

Freedom Wall – Freedom of Speech for all

Let the students study at their own pace especially during these difficult times. Access libraries, journals, and many more for free – anytime.

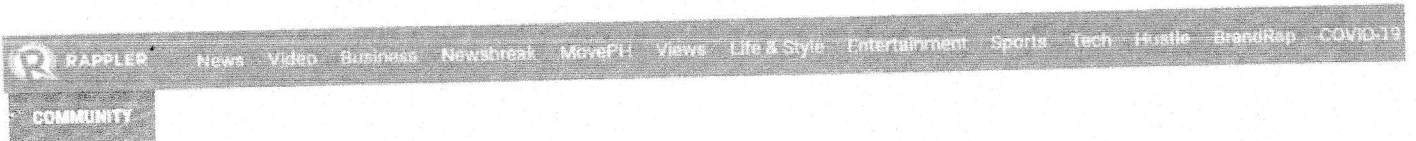

"Our mission is to organize the world's information and make it universally accessible and useful."

YOUR RESEARCH IS ON US.
