Pre-registration Instructions for Blood Olympics Focal Person:

1. The focal persons will submit their Confirmation Slip bearing their preferred date and time (AM/PM) of donation (e.g. November 23, AM schedule) and the list of donors. The deadline of submission will be on November 18, 2020.
2. The CLCHD- RVBSP Donor Recruitment Officer will contact each donor for an initial screening via call. This will limit the number of deferrals, thus allowing us to maximize the time and space allotted during MBD.
3. Consequently, upon finalization of schedule, CLCHD- RVBSP donor recruitment officer assigned to your agency in coordination with the Blood Olympics Point Person will send you the list of pre-qualified donors, including the confirmed date and time of your blood donation.
There will only be a maximum of 50 donors for AM and 50 donors for PM, thus the schedule will be filled according to "first submit, first serve" basis.

Note: Pre-qualified donors will still undergo Physical /Clinical Assessment to confirm their capability to donate.

4. Lastly, may we also request for an updated official list of employees certified by your Human Resource Department (Permanent and Job Orders) to be submitted on your scheduled day of MBD.
