Warm Lasallian Greetings! I hope this email finds you well.

I am Matt Dylan S. Geli, a Grade 12 HUMSS student from De La Salle University Senior High School Manila. As partial fulfillment of the requirements for our Christian Living course, and in partnership with the Center for Social Concern and Action (COSCA) and Center for Youth Advocacy and Networking (CYAN), we are cordially inviting the schools under your divisions to attend our webinar entitled, "*Adhikang Diwa: Ang responsibilidad at Pagmamahal Para Sa Bayan.*"

With this, we would like to ask for your assistance in disseminating this invitation among the schools under your divisions.

This webinar aims to enlighten youth about the importance of voting, its significance and impact, and how to become a registered voter. With the upcoming 2022 elections drawing nearer, we believe that it is of importance to educate the youth to motivate them to have a voice and do their part as a Filipino citizen.

If there shall be any questions, you can reply to this email or contact me through my mobile number 09159740948.

Thank you very much and I hope to hear from you!

INVITATION

Warm Lasallian Greetings! I hope this letter finds you very well.

We are Grade 12 Humanities and Social Sciences from De La Salle University Senior High School - Manila Campus. In partial fulfillment of our requirements in our Christian Living subject, we will be holding a webinar entitled "*Adhikang Diwa: Ang Responsibilidad at Pagmamahal Para sa Bayan*", on May 21, 2021. This is a project in collaboration with Center for Youth Advocacy and Networking (CYAN) and De La Salle University's Center for Social Concern and Action (COSCA).

At this *Adhikang Diwa*, we will be conducting a live online webinar with the youth in order to bring awareness towards voter education. Considering our country's current situation and with the coming elections in 2022, the youth's importance of voicing their opinions through voting becomes more evident as this event aims to open the minds of the youth further and inform them regarding their responsibilities as a part of the democratic state.

Further, as mandated in the 1987 Constitution of the Republic of the Philippines, voter education is a primordial topic that must be taught to the youth together with the help of the Department of Education. The election of our leaders are consistent with our right to suffrage, thus, recognizing the indispensable role of elections in a working and functioning democracy.

Our class would like to most earnestly request for the participation of the junior and senior high school students of your institution. We likewise suggest for this event to be treated as an extracurricular activity for their **Araling Panlipunan/Social Studies class**. Registration will be free of charge with no requirements needed. Moreover, we will be issuing Certificates of Participation for the student-participants as well as a Certificate of Recognition for the school. We highly propose that your **Grades 9-12** students participate in this webinar.
