HISTORY
CATALANACAN ELEMENTARY SCHOOL

Catalanacan Elementary School is located at Barangay Catalanacan, Science City of Munoz, Nueva Ecija, with a distance of 2.5 kilometer from city proper. Its land area has a total of 5,000 square meter, which was donated by city government under the administration of Hon. Nestor L. Alvarez.

The school started serving the community in the School Year 2007-2008, primarily began with a two-storey Alvarez Type Building, which is composed of four classrooms. The school started implementing Restructured Basic Education Curriculum (RBEC) and catering 96 pupils from Grades 1-4, headed by Mrs. Aurelia D. Estabillo, as Teacher-in-Charge, with four Local School Board (LSB) teachers. Then, in the SY 2008-2009, Kindergarten and Grade 5 levels, as well as three new teachers were added. Mrs. Estabillo had been supervising the school for two years when she transferred to another school.

In July 2009, Mr. Nelween Gan was assigned due to school heads' change of station, handled seven permanent teachers and served complete elementary levels, from Kindergarten to Grade Six. Then, new DepEd Standard School Building was built in 2010 and Violago Type School Building was donated in 2011.

Mrs. Cecilia R. Alvarez, was the next appointed School Head in July 2012, served with eight teachers. In 2014, the Public-Private School Infrastructure Project (PSIP) building and Umali School Gym were donated. In 2018, a stage was donated by Local Government Unit. (LGU)

Mrs. Melanie N. Aquino was assigned as the new School Head in July 2019. The Violago Gym with stage was also donated in the same year. Mrs. Aquino's supervision in school ended on January 31, 2021.
