

## **GSLC HISTORY**

In answer to the clamor and needs of the immediate community, the Guiding Star Learning Center was founded by a group led by Dr. Rolando F. Camacho (First President) on December 17, 1997, as per SEC approval on December 23, 1997 and recognized by the government as per Government Recognition of all grade levels in 2002. GSLC is seated on a 662 m<sup>2</sup> lot amidst verdant and lush greenery, free from a noisy, polluted environment. The original residential L-shaped two building bungalow, was later converted into what now houses the office, computer room and laboratory, kitchen, stock room, bath and comfort rooms. The other building now comprises the pre-school rooms, kitchen, comfort room and bathroom for the faculty and staff. Due to expansion in 2002, a two-story, four room building was constructed on the western side; another one-room extension was constructed, attached to the office building in order to accommodate a bigger class. Also a 100 sq. meter was acquired which is across the road opposite the main campus. And, in summer 2011; another room was attached North of the original building to serve the needs of H.E. classes and their laboratory activities. Since 1998, all rooms are fully air-conditioned.

The board of trustees consisted of friends, mostly from the academe of the Central Luzon State University; Dr. Teotimo M. Aganon, Dr. Juliana B. Dacayo, Dr. Quirino D. Dela Cruz, Dr. Danilo T. Eligio and Dr. Lilia D. Torres; a medical doctor, Dr. Angelito L. Martin; businessmen – Ms. Redina F. Concepcion, Mr. Venancio M. Cornejo and Ms. Marlene L. Martin.

Classes were formally opened in June 1998, with Pre-school and Grade 1 levels with a total enrolment of 33 pupils headed by Dr. Generosa N. Eligio, Mrs. Corazon G. Pabunan, Mrs. Josephine M. Gagarin and Ms. Ma. Rosario Agnes as teachers. Joining the next year is Mrs. Felipa A. Gonzales, the longest serving faculty, and now, Principal.

The GSLC Logo was conceptualized and created by Ma. Lourdes N. Eligio, a Fine Arts graduate of UST. In 2008, Mrs. Alou L. Martin, spearheaded the composition of the GSLC Hymn and the Graduation Song with Dr. Clarita P.

Aganon doing the lyrics and Dr. Elaida R. Fiegalan, contributing the melody. The musical arrangement and its refinement were their collaborative effort.

A year after the school's establishment, Mrs. Anastacia Abiog joined GSLC. In 2002, Dr. Eliseo L. Ruiz joined GSLC; Prof. Linda P. Alonzo in 2003; Dr. Elaida R. Fiegalan, Dr. Federico O. Perez in 2008, and Mr. Robert Loyce C. Ruiz in 2015. With the demise of Mrs. Anastacia Abiog in 2014, Mr. Lorenzo F. Abiog Jr. takes her place as incorporator.

Since 1998, GSLC has proved to its vision/mission in providing quality education as shown in its performance in academic and other activities, awards, honors and recognition in different competitive endeavors. The school continues to adhere to tenets of academic excellence, ethical standards, and observance of strict moral values and discipline among its constituents who are committed and dedicated in the pursuit of the school's goal and objectives. The school has produced regional and national champions in different areas of competitions.
