The Philippine Sports Commission (PSC) has been a staunch partner of the Department of Education (DepEd) in promoting programs for school sports in the country, particularly in enhancing the skills of our teacher-coaches engaged, not only in regular sports, but in sports for the differently-abled.

Since the Department believes that sports should be inclusive, the Office of the Undersecretary for Administration (OUA), through the Bureau of Learner Support Services–School Sports Division (BLSS–SSD), announces PSC's conduct of its **Webinar Series on Handling and Training Para-Athletes**, as follows:

Title of Webinar	Schedule (Date & Time)

Classification of Para Athletes (Visually-Impaired and Physically-Impaired [OH])	September 21, 2021 1:00-5:00 p.m.
Rights and Privileges of Para Athletes in the Philippines	November 22, 2021 1:00-5:00 p.m.

This activity is in response to the challenges brought about by the COVID-19 pandemic in implementing the grassroots development program for the Persons with Disabilities (PWD) community.

SUBJECT : **WEBINAR SERIES ON HANDLING AND TRAINING PARA-ATHLETES**

Greetings from the Philippine Sports Commission (PSC)!

As the pandemic continues and public health measures are in place to contain the spread of COVID-19, it is challenging to implement our grassroots sports development program for the PWD community. To address this, the PSC will be conducting a **WEBINAR SERIES ON HANDLING AND TRAINING PARA-ATHLETES** and would like to respectfully invite members of the Department of Education.

With utmost consideration for the public's health and safety, this webinar series will be held purely online through the Zoom platform. This project will feature 3 subtopics, (1) Sensitivity Webinar on Handling and Training Para Athletes, (2) Classification of Para Athletes, and (3) Rights & Privileges of Para Athletes in the Philippines.

First, the **Sensitivity Webinar on Handling and Training Para Athletes**, to be held on 20 September 2021, aims to provide a holistic grasp of the needs of PWDs, as well as the laws and regulations against discriminatory practices toward PWDs. This will be presented by Engr. Emerito L. Rojas, Executive Director of the National Council on Disability Affairs, and Ms. Adeline Dumapong-Ancheta, a Bronze Paralympic Medalist in the 2000 Summer Olympics.

Second, the webinar on **Classification of Para Athletes**, to be held on 21 September 2021, aims to provide a holistic grasp of the proper classification of athletes, as it is important to ensure fair competition in Para Sports. This will be presented by Dr. Maria Concepcion Fabreo Anda, Vice President of the Integrated Philippine Association of Optometrists (NCR), and Dr. Raul Michael Cembrano of the Philippine Sports Association for the Differently Abled (PHILSPADA).

And lastly, the webinar on **Rights & Privileges of Para Athletes in the Philippines**, to be held on 22 November 2021, will be presented by Mr. Marc Edward D. Velasco, National Training Director of the Philippine Sports Commission and Mr. Michael Barredo of the Philippine Paralympic Committee
