The DepEd Order No. 28, s. 2016 or the "*Strengthening the Fire Safety and Awareness Program*," contains provisions that outline the specific roles and responsibilities of all DepEd personnel at all levels, including the proper implementation of fire safety protocols, the conduct of regular fire drills and exercises, and the establishment of safety committees to oversee safety and security measures.

Furthermore, the order emphasizes the need for continuous monitoring and evaluation of the program's effectiveness to identify areas for improvement and ensure that safety standards are met. In summary, the attached DepEd Order No. 28, s. 2016 provides a comprehensive framework for the successful implementation of the Strengthening the Fire Safety and Awareness Program in all schools and DepEd offices.

In addition, DepEd Order 53 s. 2022 or the "*Mandatory Unannounced Earthquake and Fire Drills in Schools*", underscores the importance of fire safety in schools, and one of the measures that schools must implement is conducting unannounced fire drills. The order states that these drills should be done to ensure that students, teachers, and staff are prepared in case of a fire emergency. The reiteration of this policy is crucial in promoting safety within the school premises.
