SCHOOLS DIVISION MEMORANDUM

No. 243, s. 2025

"IWAS DENGUE: 4 O CLOCK HABIT CLEANUP DRIVE"

To: Assistant Schools Division Superintendent
Chief Education Supervisors
Education Program Supervisors
Public Elementary and Secondary Heads
All Others Concerned

1. The Schools Division Office is one with the Department of Health 4-S Strategy in the fight against the deadly Dengue Virus, now a year-round disease that is transmitted through a bite of Dengue Infected *Aedes aegypti* and *Aedes albopictus* mosquitoes, that usually thrive and lay eggs in any space or container that hold clear stagnant water. The insect vectors usually bite between 2 hours after sunrise and 2 hours before sunset.
2. With the increasing incidence of Dengue Cases during the wet season, all Public Elementary and Secondary Schools are hereby enjoined to conduct cleanup drives in the school surrounding, roof gutters and drainages to prevent mosquito infestation in DepEd Offices and schools every 4-o clock in the afternoon.
3. The enhanced 4-S implementation calls for everyone to be a part in controlling mosquito population and therefore prevent possible dengue death in the community. The 4-S campaign stands for **Search and destroy mosquito breeding grounds, secure Self-Protection measures, seek early consultation and support fogging in hotspot areas** where increase in cases is registered for two consecutive weeks to prevent an impending outbreak.
4. For queries, please contact the School Health and Nutrition Unit thru marianne.coronel@deped.gov.ph.
5. Wide dissemination of this Memorandum is earnestly desired.

JOHANNA N. GERVACIO PhD, CESO V
Schools Division Superintendent
