**LIBRARY HUB POLICY ON THE UTILIZATION OF
SUPPLEMENTARY LEARNING RESOURCES**

Borrowing and Returning of Reading Materials

1. The Hub Librarian keeps a master list of all public elementary and secondary schools, including ALS Community Centers and Inclusive Learning Resource Centers in the division for reference. This list includes the names of the school head, the school library-in-charge or any representative authorized to borrow bins of books for the schools.
2. **School Head** takes full responsibility and accountability over the SLRs received from the Library Hub; in cases of retirement, resignation, transfer, travel abroad, or other forms of separation from service, accountability shall be transferred to the new school head or officer-in-charge. **School Librarian/Library Coordinator/LR Coordinator/Reading Coordinator** assists the School Head in receiving books from the Library Hub; manages SLR distribution to/retrieval from teachers.
3. The Library Hub shall prepare the book bins and necessary documents for the SLRs to be borrowed by the schools. The Library Hub shall adopt and follow the prescribed schedule for delivering SLRs from Monday to Friday, 8:00 a.m. to 5:00 p.m.
4. The School Head, School Librarian/Library Coordinator, or Authorized Representative shall countercheck the delivered SLRs for accuracy before receiving the book bin from the delivery personnel. Inconsistencies must be recorded and countersigned on both the school and Library Hub copies of the Delivery and Retrieval Receipt.
5. Borrowed reading materials should be returned after 30 calendar days. Swapping or exchanging of bins is strictly prohibited.
6. Learners are expected to utilize the delivered SLRs. Classroom teachers shall complete the utilization report every time they use SLRs. If the learners have exhausted the SLRs to their full capacity, the school may request their replacement with available titles from the Library Hub collection.
7. **In case of lost or unreturned books or materials, replacements must be made.**

Handling Losses and Damages

Losses and damages can be minimized or prevented depending on the circumstances, such as: 1) due to calamities or uncontrolled events; 2) due to the transfer or dropping out of the learner; and 3) due to negligence. Lost and damaged SLRs must be immediately reported.

Losses and damages to SLRs due to legitimate, unintentional, and justified reasons and due to negligence are covered by the following provisions:

I. Losses Due to Natural Calamities and Uncontrolled Events (force majeure)

- a. The learner who loses DepEd-issued LR due to unforeseen and uncontrollable disasters like typhoons, floods, earthquakes, and fire, or events like theft and/or accidents, must write a letter to his/her teacher/adviser within 15 days to explain the reason for the lost SLRs. The letter must be duly signed by either the learner's parent or guardian. *An Affidavit of Loss is not required.* This report shall be noted by the teacher and the school head who validated/verified the veracity of the information stated in the letter, endorsed to the Library Hub librarian/library in-charge.
- b. The Library Hub librarian/library in-charge, seeking to be relieved of accountability, shall furnish the Division Supply Officer with a copy of the endorsement received from the school Library Hub coordinator.
- c. In some cases, the Library Hub management may require the teacher/adviser/librarian to submit additional documents that may fall under DepEd's existing rules and regulations to further justify the claim for accountability clearance.

II. Losses Arising from Transfer or Dropping Out of Learner

- a. In cases where a learner fails to return the LR due to dropping out of school or transfer of residence and nobody can establish the learner's whereabouts, the concerned teacher/adviser/librarian must write a letter to the Library Hub librarian/library in-charge when applying for relief from accountability, citing specific reasons and providing justifications. The letter must be duly noted by the School Head or Principal.

III. Losses and Damages Due to Negligence

- a. Liability for the money value of the lost and damaged SLR due to negligence or improper use shall be the accountability of the borrower. Recommendations to resolve lost and damaged SLRs due to negligence are as follows:

Republic of the Philippines
Department of Education

REGION III – CENTRAL LUZON
SCHOOLS DIVISION OF SCIENCE CITY OF MUÑOZ

- i. Replace the lost/damaged SLR with the exact title and bibliographic information or type (in case of a non-book SLR).
- ii. If option a cannot be met, the lost/damaged SLR must be paid at the SDO Cashier. An official receipt of payment shall be remitted in the same manner as payment of other government property, in accordance with COA rules and regulations. A second-hand or photocopied SLR shall not be accepted as a replacement for the lost and damaged SLR.

1. To determine the amount to be paid, the formula is:

Amount to be paid	=	acquisition cost + 30% markup (this covers inflation or an increase in prices of the SLRs in the market and Library Hub costs for bibliographic tagging and preventive maintenance expenses)
