1. In line with the Department of Education's thrust to provide quality and relevant learning opportunities for all learners under the Alternative Learning System (ALS), it is necessary to ensure that all Accreditation and Equivalency (A&E) Test takers are adequately prepared to demonstrate their competencies. This Office, through the Curriculum Implementation Division (CID), announces the conduct of A&E Test Clustered Review every Tuesday and Thursday from November 11, 2025, to February 27, 2025.
2. This activity aims to:
 - a. strengthen learners' mastery of core learning competencies in the five learning strands of the ALS K to 12 Basic Education Curriculum—Communication Skills (English and Filipino), Scientific and Critical Thinking Skills, Mathematical and Problem-Solving Skills, Life and Career Skills, and Understanding the Self and Society,
 - b. provide focused remediation and enrichment activities addressing the identified learning gaps of A&E test takers through collaborative and contextualized review sessions,
 - c. enhance learners' test-taking strategies and confidence by exposing them to simulated A&E test situations and practice assessments,
 - d. foster peer learning and support among clustered learners and facilitators from various Community Learning Centers (CLCs), promoting cooperation and sharing of best practices, and
 - e. ensure readiness and higher performance levels of ALS learners during the actual A&E Test, contributing to improved division-wide passing rates and learner certification outcomes.
