SCHOOLS DIVISION MEMORANDUM

No. 037, s. 2026

**ESTABLISHMENT OF SCHOOL HEALTH CLINIC AND BREAST-FEEDING
AREA IN ALL PUBLIC ELEMENTARY AND SECONDARY SCHOOLS**

To: Assistant Schools Division Superintendent
Chief Education Supervisors
Education Program Supervisors
Public Elementary and Secondary Schoolheads
All Others Concerned

1. The Department of Education (DepEd) continuously implements Oplan Kalusugan sa DepEd (OK sa DepEd), a convergent framework that harmonizes DepEd health programs, plans, policies, and activities to ensure their effective and efficient implementation at the school level, in partnership with various stakeholders.
2. The program aims to provide learners with essential health and nutrition services to help them attain their full educational potential, ensure the wellness of DepEd personnel through the provision of basic medical, dental, and nursing services for improved productivity, and maximize opportunities for broader health and nutrition service delivery through sustained partnerships, particularly at the school level.
3. In this regard, the establishment of functional school health clinics with designated breastfeeding areas is hereby encouraged to ensure the delivery of basic medical and dental services to learners and school personnel. These facilities shall serve as venues for the administration of first aid and triage for injuries and illnesses occurring within school premises, and for providing support to learners with special needs and chronic health conditions.
4. Moreover, designated breastfeeding areas shall support lactating mothers in the workplace by providing safe, private, and hygienic spaces to breastfeed or express milk, in compliance with Republic Act No. 10028, otherwise known as the Expanded Breastfeeding Promotion Act of 2009, and other related national policies. These health facilities shall also serve as venues for health education and counseling activities, thereby promoting health awareness among learners, teachers, and parents.
5. For queries, please contact the School Health and Nutrition Unit through marianne.coronel@deped.gov.ph.
6. Wide dissemination of this Memorandum is earnestly desired.
