SCHOOLS DIVISION MEMORANDUM

No. 193, s. 2026

SCHOOL-BASED DEWORMING PROGRAM, SY 2026-2027

To: Assistant Schools Division Superintendent
Chief Education Supervisors
Education Program Supervisors
Public Elementary and Secondary School Heads
All Others Concerned

1. Pursuant to DepEd Order No. 10, s. 2016, titled *Water, Sanitation, and Hygiene in Schools (WinS) under Oplan Kalusugan sa DepEd (OK sa DepEd)*, and in partnership with the City Health Office, this Office supports the implementation of the Oplan Goodbye Bulate Program of the Department of Health. The implementation shall be conducted from June 15–19, June 22–26, and June 29–30, 2026 in all public elementary, secondary, and integrated schools.
2. This program aims to improve the nutritional status of learners by reducing the prevalence of soil-transmitted helminthiasis, promoting a clean and safe environment, and reinforcing proper hygiene and sanitation practices. These include regular handwashing at critical times, wearing proper footwear to prevent hookworm infection, thoroughly washing fruits and vegetables, and ensuring the proper cooking of meat, fish, and poultry for safe consumption.
3. In line with this, all public schools are hereby directed to:
 - conduct advocacy campaigns during Parent-Teacher Conferences;
 - ensure that parental consent forms are duly accomplished and submitted;
 - administer deworming tablets only after learners have eaten a full meal; and
 - report any adverse reactions following drug administration to the School Health and Nutrition Unit.
4. Enclosed herewith is the Deworming Schedule for your information and guidance. Submission of Activity Completion Report shall be on or before July 17, 2026, through the google link to be provided.
5. For queries, please contact the School Health and Nutrition Unit through marianne.coronel@deped.gov.ph.
6. Wide dissemination of this Memorandum is earnestly desired.
