All Others Concerned

1. Relative to Schools Division Memorandum No. 276, s. 2026 titled *Schools Division Participation in the Conduct of the Nationwide Simultaneous Safety Drill for Active Attack Incidents*, this Office announces that the conduct of the Safety Drill has been moved to September 3, 2026. This covers all public and private schools.
2. The activity aims to demonstrate the preparedness and response measures of the learners, personnel and other stakeholders — not the violence. The simulation activities shall be age-appropriate, trauma-informed, and focused on preparedness, protective actions, coordinated response, and post-incident recovery. It must adhere to child-centered principles and the overarching “Do No Harm” directive to guarantee the safety, dignity, and psychosocial well-being of all learners.
3. Schools that have not fully met the prerequisite readiness criteria shall prioritize foundational capacity-building, orientation, and administrative preparations until all mandatory safeguards and operational arrangements are fully operational. Schoolheads should determine the appropriate scheduling and execution methodology based on the localized conditions and institutional readiness.
4. In relation to this, an online meeting shall be held on September 1, 2026, 9:00 a.m. via MS Teams <https://tinyurl.com/SafetyDrillMeeting>. The participants are all Schoolheads of Public and Private Schools, including CID and SGOD Personnel. Attendance is required.
5. Following the conduct of the drill, schools shall submit reports through <https://forms.gle/JJTbPyAkHzNjz3rh7> and inform the Schools Division DRRM Coordinator through the DRRM Group Chat. The report shall include the accomplished Evaluation Form <https://bit.ly/4iwrXhO>, School Contingency Plan, and the documentation.
