Subject: Request to Conduct the TOFAS Results Analysis Seminar on November 27, 2026

Dear Director Aquino,

Greetings from SPRIX Philippines!

As a follow-up to the implementation of the **TOFAS Math Assessment in Region III, SPRIX Philippines respectfully requests your approval and support to conduct the TOFAS Results Analysis Seminar on November 27, 2026, for teachers and coordinators from participating schools.**

Following the TOFAS examination, SPRIX's research institution will conduct an in-depth analysis of the assessment results and share key findings during the seminar. The session aims to help teachers interpret the results, identify learners' strengths and areas for improvement in foundational mathematics, and consider how these findings can guide classroom instruction and appropriate learning support.

In this regard, we would appreciate your Office's assistance in coordinating the participation of concerned schools and teachers and identifying the appropriate regional focal person for the activity. We would also welcome confirmation of the proposed date so that we may coordinate the time, venue or delivery format, and other arrangements with your designated representative.

Thank you for your continued partnership in the implementation of TOFAS. We look forward to working with your Office to help teachers use the assessment findings to support learners' progress in mathematics.

Respectfully,

HAYATO TSUZURANO
President, SPRIX Philippines Inc.
